CERTIFICATE

TÜV SÜD-DG-0071.2015.002

Manufacturer: **CCI Czech Republik s.r.o.**

**K letišti, 1804/03
CZ-627 00 Šlapanice**

Inspection acc. to **AD 2000-Merkblatt HP0/HP100R, TRD 201
and EN ISO 3834-2**

The company

- has facilities permitting manufacturing and inspection in compliance with the current technical standards,
- operates a quality system which guarantees that manufacturing and inspection of the products stated in our report are in conformity with the technical rules and standards,
- employs qualified supervisory and inspection personnel.

The company has the welding suitability for manufacturing pressure equipment according above mentioned standards.

Independently of this certificate the requirements of the respectively selected module have to be considered within the framework of manufacturing pressure equipment according to Pressure Equipment Directive 2014/68/EU.

Report no.: The scope of the audit is detailed in our Report 5401809318 dated 2018-12-05.

The following range is certified according to EN ISO 3834-2

Scope of production: Severe service valves, control valves and safety valves for power plants, the Process-, Oil & Gas Industry

Base of material(s): - Materials of the group 1, 4, 5, 6, 8, 10 and 43
(Group(s) according to EN ISO/TR 15608)

Dimension of items: Thickness up to 100 mm, max. length 5500 mm, max. Ø 1500 mm, max. piece weight 12500 kg

Welding process: 111 Manual metal arc welding
(Process numbers acc. to EN ISO 4063) 141 TIG welding with solid filler metal (wire/rod)
152 Powder plasma arc welding

Welding supervisor: Mrs. Eng. Veronika Fňukalová (IWE)
Deputy: Mr. Petr Vašiček (IWT)
...

Personnel for non-destructive testing:
Responsible: Mr. Robert Pokorný
Deputy: Mr. Petr Procházka

All other relevant data are detailed in our report no. 5401809318 dated 2018-12-05.

Remarks:
None

General Provisions

Should one of the named welding and testing supervisors leave the company, or welding and test procedures or important parts of equipment required for these procedures be changed or any of the welding-related quality assurance measures be modified, this must be reported beforehand to TÜV SÜD Industrie Service GmbH (hereinafter referred to as TÜV SÜD). If necessary, TÜV SÜD will initiate a renewed inspection at the company. The same applies to the permanent discontinuance of welding work.

Should there be any doubts pertaining to the qualification of the company, TÜV SÜD shall have the right to inspect the company and to carry out tests at the company at any time without prior notification.

This certificate can be withdrawn, amended or modified with immediate effect and without any compensation, if the conditions under which it was issued have changed or if the stipulations and provisions outlined in this certificate or the pertinent report have not been observed.

This certificate shall become invalid if the welding supervisor named therein leaves the company.

The authorization shall be suspended for as long as the company does not have a recognized responsible welding supervisor and no accepted deputy is on hand.

Application for renewal should be submitted to TÜV SÜD at least 2 months prior to expiry of the certificate.

Invalid or revoked certificates must be returned immediately to TÜV SÜD.

This certificate may only be copied or published in its entirety for advertising and other purposes. The text of promotional material may not contradict this certificate.
